

Fly Fishing on Emy Lough Emyvale

Emy and District Anglers Ltd

Update for May 2013

Fishing:- The lake is fishing well at the moment with some lovely brown trout caught. Local angler Jimmy Skinnader, caught this beauty below. The Mayfly is hatching most notably along the North Eastern shoreline of the lake. Water levels are ideal for shore fishing. All anglers are advised to wear life jackets.

Youth/Adult beginners:- If anyone is interested in taking up the sport of fly fishing or if existing members interested in learning more about fly fishing courses/workshops etc please contact Martin 086 8565737 or Enda 0876319298.

Litter :- All club members are encouraged to pick up any litter around the shoreline and dispose in bins provided at the main carpark. Many thanks.
